Isaiah 40:1 "**Comfort ye, comfort ye my people, saith your God.**"

I must admit, my heart is heavier than normal. It seems like there is so much sickness, so much loss of life, and so many people hurting in numerous ways; that I cannot fathom the pain being experienced. This is not just in the ranks of our churches and acquaintances, it is happening all around us in the nation and world we live in; firemen, policemen, innocence bystanders. Please do not take the prayer request lightly. The people in the prayer list are in dire need of your prayers and the comfort and healing hand which only God can grant.

When early deacons were set aside to help in the service of God, The "**twelve**" of Acts 6:2, indicated the necessity to pray: "**But we will give ourselves continually to prayer, and to the ministry of the word.**" (verse 4). We all need prayers; its just that we need them more seemingly at times.

Please let me say **thank you** to each of you who join in prayer daily for those listed and those of which we know nothing about. "*God - grant us our daily needs, Not our wants.*" "**Think About It!**"
