Seek Out The Works of God

The psalmist David gives wonderful admonition to God's children in Psalm 111:2, **"The works of the LORD are great, sought out of all them that have pleasure therein."** This verse doesn't say that just anyone will seek out the great works of the Lord. What it does say is who it is that will seek out those wondrous works. It is those who have found pleasure in them before and know the blessings found in seeking the things of God which honor and glorify Him; those things which are pleasing to Him, and those things which are according to His will.

Job, in the midst of all types of tribulation, said; **"Hearken unto this, O Job: stand still, and consider the wondrous works of God"** (Job 37:14). This is exactly the point which God would eventually make with Job when the Lord instructed him concerning His (God's) creation and the wonder of it. Notice what John said in Revelation 15:3, **"...Great and marvelous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints."** It is these works and these ways which we should seek daily and then relish in the **"pleasure therein."** We would all do well to **"Think About It!"**
