Thankful on Thanksgiving Reflects All Year

Being thankful on Thanksgiving is just a reflection of how thankful we really are the rest of the year. While this particular holiday was established only a few hundred years ago, we are reminded of who it was they were thankful to (God). Paul alludes to how we are to be thankful in all things as stated in I Thessalonians 5:16-18, "**Rejoice evermore. Pray without ceasing. In every thing give thanks, for this is the will of God in Christ Jesus concerning you.**" Be sure to take time, not only tomorrow on Thanksgiving day, but every day the Lord blesses us to live on this earth. Thankful for our family, thankful for our church fellowship, thankful for our material blessings, and of course; thankful for our Saviour and His wondrous grace. Our family is scattered and we will miss not seeing all of them tomorrow. However, love covers many a mile and we trust will do so for each of you as well. Happy Thanksgiving from Brenda and myself and all of the writers on ShareTheWord. We will return with STW on Monday, December 1st. In the mean time, may the good Lord take a liking to ya. Think About It!
