In Trust With The Gospel

Elder Keith Ellis

The Idiot Tube

I recently asked this question.

Considering the fruits or level of immorality that come out of our TV sets, who would you say is in control of Hollywood, daily television programming and news media?

1. God
2. Satan
3. Republicans
4. Democrats
5. Aliens
6. No one in particular

Do you think TV is good or evil?

Except for a few of the brave, Face Book crickets is all I heard. NO ONE said God was in control of Hollywood or daily TV programming and news media.

For those that chose to ignore and not reply. Why can you not in good conscience select # 1?

It is because you know # 2 is correct and if you acknowledge as much it means you become responsible for believing everything the idiot tube says. It also means you have to cast off your idols.

Open your eyes. Stop buying the lies.

I tell you because I love you. God knows.
