In Trust With The Gospel

Elder Keith Ellis

Benefactors

And he said unto them, The kings of the Gentiles exercise lordship over them; and they that exercise authority upon them are called benefactors. [Luk 22:25 KJV]

Benefactors in today's society are the people with all the money. They truly call the shots and have complete control over our politicians. If the politicians do not comply, they will be destroyed from the political scene one way, or another. The people with all the money know how to get things done.

Benefactors, the ones with all the money, also control the main stream media and everything that we are told.

So if you think it is a democrat verses republican verses ISIS verses Russia verses Syria, etc, thing happening, and are swallowing everything the news cycle spits at you, you might just be among the sheeple.
