In Trust With The Gospel

Elder Keith Ellis

Cemeteries

[Isa 30:10 KJV] 10 Which say to the seers, See not; and to the prophets, Prophecy not unto us right things, speak unto us smooth things, prophesy deceits:

WARNING! WARNING! WARNING! WARNING! WARNING! WARNING!

Young men who are considering going to seminary this coming fall. **BEWARE.**

The majority of seminaries in this nation will fail you, if the reason you desire to preach is that you love God and His word.

It is a proven fact that the first thing that happens to new seminary students is to have their faith in the word of God undermined. Professors will publicly humiliate you and intimidate you into believing that there are a multitude of errors in God's book and that it can not be trusted.

DO YOUR HOMEWORK. Statistics have shown that a majority go into seminary believing in the purity of God's word, and a minority come out with the same belief.

I recommend you trust The Lord to qualify you to the ministry. If your denomination will not support you in that method, then find one that does.

Our nation is full of churches with men in their pulpits who do not even believe the bible they pretend to preach from. All they can do is speak smooth things and prophesy deceits.
