In Trust With The Gospel

Elder Keith Ellis

Trying The spirits

Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world. [1Jo 4:1 KJV]

It is agreed that we are not to believe every spirit, but we are to try or test them. Otherwise we may find ourselves being tossed to and fro with every wind of doctrine.

We can examine other beliefs systems without making personal attacks or judging those who hold those beliefs.

If we do not teach our people about the dangers of some of the teachings that are prevalent in the world, we do them a great disservice. For he says there are many false prophets in the world.
